The Beautification Committee was by Resolution No. 426. The first appointment was made on February 11, 1966. No mention of the Beautification Committee exists after March 4, 1969 and no appointments were found after the March 15, 1966 appointments of Joe Hopkins and Paul Dauwalder.

On June 30, 1986, Councilwoman Campana asked about the status of the "Canal Beautification Committee." Mayor Drinkwater explained that it was a non-City committee and had no official status.

The Neighborhood Beautification Awards Committee, established in 1987, apparently served as a separate committee.
