Notes:

There is no record of a formal creation of the Development Services Board of the Cable Television System.

On May 17, 1982, Ms. Kay Stevens of United Cablevision gave a brief overview of the proposed Cable Television System and said she was there to request that Council appoint members to the proposed boards: Cable Television Citizen Commission, Management Committee, Development Services Board, and the Scottsdale Community Cable Corporation (SC-3).

On July 6, 1982, the Council appointed members to all four proposed boards.

On September 4, 1984, board members received plaques of appreciation for their service.
