

Energy Advisory Committee

Status: Dissolved

Created: 12/1/2004

Ended:

Description: The Energy Advisory Committee advises the Environmental Quality Advisory Board (EQAB) on sustainable energy policy and practices, including conserving energy for existing City facilities; building and renovating City facilities using sustainable energy features; promoting the use of solar and other renewable energy sources; promoting the use of alternative fuels in City fleet vehicles; community outreach and education; and, assisting EQAB as directed.

Notes:

The Energy Advisory Committee serves as a subcommittee to the Environmental Quality Advisory Board. The creation date is approximate, based on the appointment of the members by EQAB. Following the December 15, 2004 appointments, the Board was required to send a list of non-EQAB members to the Council for approval. The first Council approval of the Energy Advisory Committee occurred on May 15, 2006.

Associated Boards: Environmental Quality Advisory Board
