

## McDowell Sonoran Preserve Commission

**Status:** Active

**Created:** 1/18/1994

**Ended:**

**Description:** The McDowell Sonoran Preserve Commission provides citizen oversight for acquisition, preservation, management, and stewardship of the McDowell Mountains and related Sonoran desert for the benefit of this and future generations. The Commission is comprised of 11 members appointed by the City Council; members serve for three-year terms.

The purpose of the Preserve effort is to establish in perpetuity a preserve of Sonoran desert and mountains to maintain scenic views and as a habitat for wildlife and desert plants; to protect archaeological and historical resources and sites while providing appropriate public access for educational purposes; and, to provide passive outdoor recreational opportunities for residents and visitors.

### Purpose:

The purpose, powers, and duties of the McDowell Sonoran Commission are combined in S.R.C., Sec. 21-7.

### Powers and Duties:

S.R.C., Sec. 21-7. - Purpose; powers and duties.

(a) The McDowell Sonoran Preserve Commission, with the assistance of City staff, shall be responsible for making recommendations to the City Council on the following matters:

(1) Developing a preservation strategy for an integrated mountain and desert open space system to guide and prioritize public actions, which recognizes existing development pressures and identifies the most important land for public purposes.

(2) Developing a realistic funding plan for the envisioned preserve and Sonoran Desert Preservation Program, including an estimate of the level of funding needed, recommended funding sources, the potential timing/availability of funding and the actions necessary to implement the funding plan.

(3) Serving as the citizen's oversight committee for the implementation of preserve land acquisitions that use funds from the voter-approved privilege and use tax increase.

(4) Developing an educational/promotional program implementing a comprehensive and integrated mountain and desert open space system and gaining public support from various sources.

(5) Preparing a conceptual master plan for a comprehensive integrated mountain and desert open space system and a management plan for any public lands and/or public access areas.

---

(6) Developing a detailed action plan for preserving the open space system that defines a series of steps or specific actions that need to be taken, when actions are needed, the public process leading up to any recommended actions, and who will take the action.

(7) Responding to other requests of the City Council relating to the preserve and issues relating to the preserve.

(8) Reporting to the City Council on a quarterly basis on its progress regarding the tasks identified in this subsection and on any other specific requests of the City Council relating to the preserve and issues relating to the preserve.

(b) The McDowell Sonoran Preserve Commission shall have the authority to form committees as needed to accomplish the tasks identified in subsection (a), above, and may include additional participants in the planning process, including citizens representing other jurisdictions and public agencies. Appointment of nonmembers of the commission to serve on committees or subcommittees shall be subject to the approval of the City Council, as provided in subsection 2-241(f) of this Code.
