COMMISSIONER DOTY BRADY MOVED TO APPROVE THE MARCH 27, 2024, NEIGHBORHOOD ADVISORY COMMISSION MEETING MINUTES. COMMISSIONER SPATOLA SECONDED THE MOTION, WHICH CARRIED FIVE (5) TO ZERO (0) BY ROLL CALL VOTE. VICE CHAIR SCHWARTZ-MANOCK AND COMMISSIONERS DOTY BRADY, HANDZLIK, LAMB, AND SPATOLA VOTED IN THE AFFIRMATIVE. THERE WERE NO DISSENTING VOTES.

2. Neighborhood Enhancement Grant Proposal – Bent Tree Perimeter Wall Repaint

Taylor Reynolds, Commission Liaison, presented a request from the Bent Tree neighborhood for the allocation of Neighborhood Enhancement Grant Program (NEGP) funding in the amount not to exceed \$20,243.15 to repaint an existing perimeter wall along East Shea Boulevard, generally between 100th and 104th Streets. Eligible projects for NEGP include alley improvements, landscape enhancement or maintenance projects, neighborhood signage, and perimeter wall maintenance. Criteria include location and accessibility, general need, existing conditions, and maintenance. Mr. Reynolds reviewed the three funded projects that have gone before the Commission this fiscal year, the Agua Linda Park landscape enhancement, Stonebridge Estates landscaping enhancement, and Peaceful Valley Monument sign. Of the \$30,000 funded for 2023/2024, approximately \$20,000 remains in the fund.

The Bent Tree perimeter wall funding request was originally submitted to repaint the entire perimeter wall of the neighborhood, approximately 3,100 linear feet fronting Shea Boulevard and 104th Street. Estimates were received by three contractors, and the most cost-effective bid would only allow for repaint funding of the wall fronting Shea Boulevard. The applicant has updated the request to include only the approximately 2,340-linear-foot wall along Shea Boulevard and intends to return in the Fall to request additional funding for the 104th Street portion of the project.

This project meets the following NEGP Criteria:

- Location and Accessibility
 - It will be enjoyed by the neighborhood and those surrounding it
 - It is along the City's right-of-way
 - It is arterial
 - It benefits and is visible to the General Public
- General Need
 - This is not an HOA neighborhood
 - It will establish and enforce a uniform standard
- Existing Conditions
 - Prior to this request, there were 16 notices of violation concerning the wall

- All cited properties have made the necessary repairs and are ready to be painted

Upon approval and project completion, ongoing maintenance would be the responsibility of adjacent property owners.

Staff's recommendation is to approve budget funding for improvements for \$20,243.15 to assist in the repainting of the perimeter wall of the Bent Tree neighborhood subject to the stipulation that by May 10th, the applicant will submit original letters of authorization (provided by staff) signed by 18 or more of the 25 affected property owners, to the Commission Liaison.

Kelly Stehl, the applicant, recapped the criteria that have been met and provided photographs of the current state of the perimeter wall. She gave examples of beautification projects that the neighborhood intends to pursue after the wall repaint is completed.

Ms. Stehl and Krystle Gomez, Bent Tree neighborhood homeowner, opened the floor to questions. Ms. Stehl and Mr. Reynolds clarified that prior approval had been revoked, as the stipulated repairs had not been completed within the allocated timeframe. Ms. Stehl outlined completed repairs, including stucco and water damage. John Stumbaugh, Code Enforcement, added that the previous damage was due to irrigation, creating a blight. Mr. Reynolds believes that the wall was originally built by the developer of the subdivision, and typically, maintenance and repairs are the responsibility of the homeowners, but this could lead to inconsistencies with repairs and paint color. He confirmed that the landscaping along the perimeter wall is maintained by the City. Mr. Stumbaugh addressed a concern that the underlying issue could be architectural, and, while he did not survey the backyards, he believes that irrigation has been the primary cause of damage. Mr. Reynolds suggested that landscaping methods could be provided to the homeowners along with materials regarding paint codes. There is no way to ensure that homeowners are taking measures on the private property side of the wall to prevent future damage. He confirmed that there are no short-term rentals affected by this project. Ms. Stehl explained that if the cost of this project increases after approval or while underway, the community is willing to secure additional funding. She believes the timeframe given to secure the signed letters of authorization will be sufficient.

VICE CHAIR SCHWARTZ-MANOCK MOVED TO APPROVE THE ALLOCATION OF NEIGHBORHOOD ENHANCEMENT GRANT PROGRAM FUNDING IN THE AMOUNT NOT TO EXCEED \$20,243.15 SO AS TO ASSIST IN THE REPAINTING OF THE PERIMETER WALL OF THE BENT TREE NEIGHBORHOOD WITHIN THE CITY'S RIGHT-OF-WAY SUBJECT TO THE FOLLOWING STIPULATION; OTHERWISE SAID APPROVAL SHALL BE REVOKED: (A) WITHIN 16 DAYS OF APPROVAL FROM THE COMMISSION AND PRIOR TO THE CITY ISSUING NOTICE TO PROCEED ON PAYMENT FOR THE PAINTING OF THE WALL, THE NEIGHBORHOOD WILL SUBMIT ORIGINAL LETTERS OF AUTHORIZATION FROM 75 PERCENT OR MORE OF AFFECTED PROPERTY OWNERS TO THE COMMISSION LIAISON. COMMISSIONER HANDZLIK SECONDED THE MOTION, WHICH CARRIED FIVE (5) TO ZERO (0) BY ROLL CALL VOTE. VICE CHAIR SCHWARTZ-MANOCK AND COMMISSIONERS DOTY BRADY, HANDZLIK, LAMB, AND SPATOLA VOTED IN THE AFFIRMATIVE. THERE WERE NO DISSENTING VOTES.

3. 2024 Spirit of Scottsdale Awards Program

Nick Carroll, Long Range Planning, provided an overview of the 2024 Spirit of Scottsdale Awards Program and recommendations regarding program criteria and timeline. There has been no public comment on this item. Since 2015, the program has been a work item for the Commission and aligns with the NAC's purpose of assisting in the preservation, improvement, and revitalization of Scottsdale through community involvement. There were 17 submissions in 2023, with the winners recognized during the March City Council meeting. Recipients included individual Matt Patzlaff and organization Neighbors Helping Neighbors. Mr. Carroll reviewed the 2024 parameters for nominees. He requested approval to open the 2024 nomination period as April 25th to December 31st.

Staff recommends that the NAC review, discuss, and approve the 2024 Spirit of Scottsdale Awards Program parameters and the timeline as proposed by staff. In response to a question regarding action by the Communications Department in terms of awareness, Mr. Carroll reviewed the outlets used in the past, including neighborhood watch programs.
