Roll Call – All present

One or more members of the Council may be unable to attend the Council meeting in person, and may participate in telephonically, pursuant to A.R.S. §38-431(4).

Work Study Sessions: Work study sessions provide a less formal setting for the Mayor and Council to discuss specific topics, at length, with each other and City staff. Work study sessions provide an opportunity for staff to receive direction from the Council and for the public to observe these discussions.

Public Comment – None

To provide an opportunity for public input, yet continue to maximize the amount of time available for the Council to have focused discussions, a total of fifteen minutes will be set aside at the beginning of each work study session for public comment on the agendized items. If you have thoughts or suggestions on the work study session items you would like the Council to consider, you are encouraged to complete a Written Comment card and submit your written comments to the City Clerk. The Clerk will ensure the Council receives your comments at various times throughout the evening.

1. **Special Taxing District Financial Polices**

– City Treasurer Jeff Nichols presentation

– Councilwoman Klapp made a motion to direct staff to: (1) Work with the Industrial Development Authority (IDA) regarding revitalization districts; and (2) seek the IDA's assistance, in whatever is in its lawful authority to provide, in determining whether the City should have a revitalization policy, and, if so, make recommendations on what that policy should be. Mayor Lane seconded the motion, which carried 5/2, with Vice Mayor Phillips and Councilman Littlefield dissenting.

Request: Presentation, discussion, and possible direction to staff regarding the City's special taxing district financial policies, including Revitalization Districts, Community Facility Districts, and Improvement Districts.
