Concept Alternatives

Participants Liked:

- Increased number of sand volleyball courts (8)
- Addition of pickleball courts
- Additional parking
- Splash pad
- Large, central event space
- Family-friendly focus over sports-focus

Participants Disliked:

- No basketball courts
- More than 8 volleyball courts
- Parking along outskirts

Concept Alternatives

Participants Liked:

- Additional parking options
- Maximized space
- 4 multi-use fields
- Addition of pickleball courts
- Basketball courts

Participants Disliked:

- Too few sand volleyball courts
- Would like less tennis courts
- Removal of ball fields

Concept Alternatives

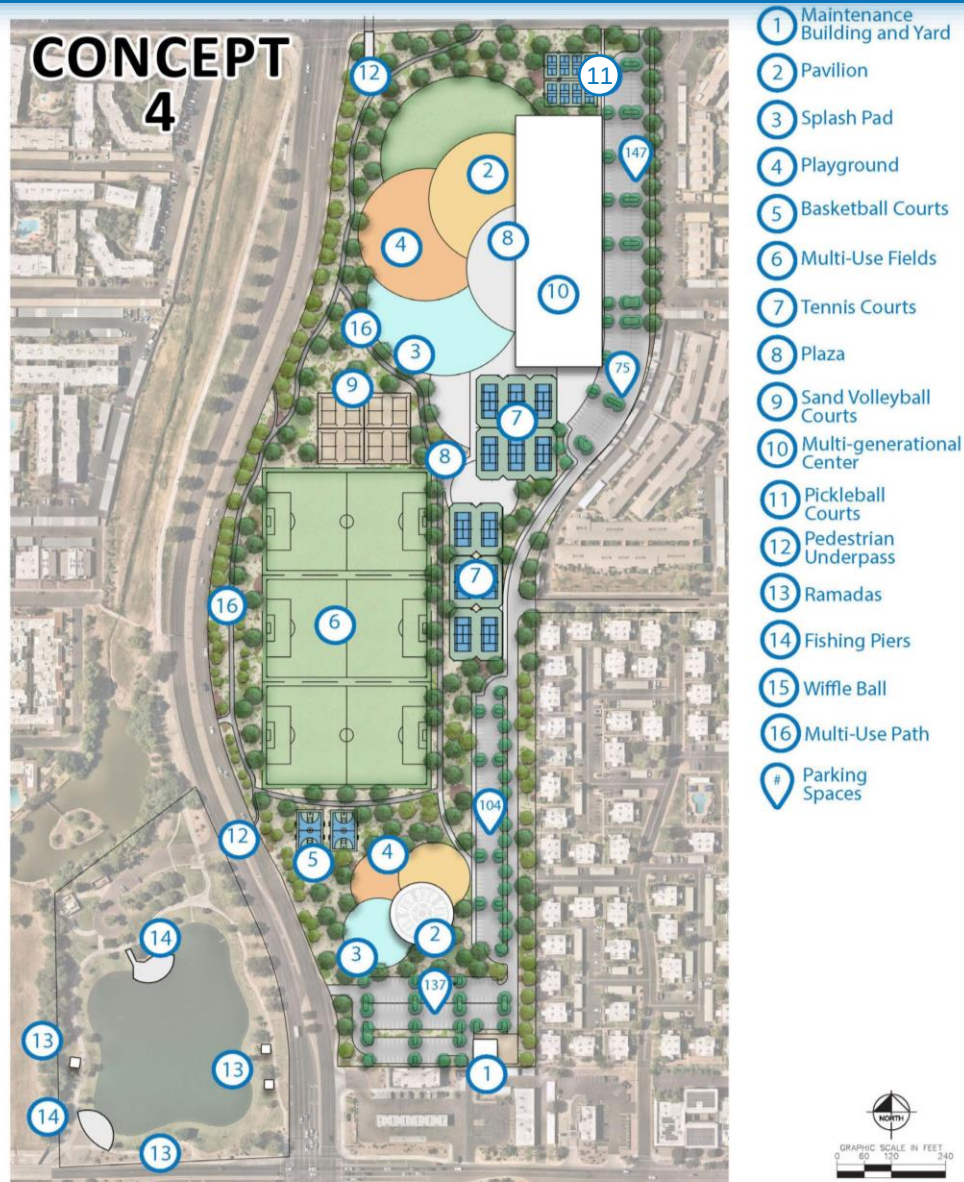

Participants Liked:

- Preserving ball fields
- Variety of sport options
- Addition of pickleball courts
- Large playground

Participants Disliked:

- Prefer more volleyball courts
- Prefer removal of baseball fields
- Parking configuration
- Prefer more multi-use fields

Concept Alternatives

Participants Liked:

- Increased number of sand volleyball courts (8)
- Basketball courts
- Multiple play and splash pad areas
- Efficient organization
- Addition and location of pickleball courts
- Family-friendly

Participants Disliked:

- Restroom locations
- More shade
- Prefer less playground areas
- Removal of ball fields

Final Concept

Proposed Amenities & Facilities:

- 95,000sf Multi-generational center
- Destination playground
- Nature playground
- Splash pad
- Pickleball courts (6)
- Existing tennis courts (13)
- Shaded artificial turf field
- Large shaded pavilions
- Sand volleyball courts (6)
- Basketball court (1)
- Great lawn/youth multi-use field
